Pinerolo is about 35 kilometres far from Turin. You can go to Turin by car, by bus o by train. You can discover Pinerolo walking through its streets and its historical centre with beautiful squares and medieval roads. Pinerolo is also famous because it was the prison for some years of a mysterious character called the Iron Mask. Still today we don't know his identity, surely he was not a common person. Anyway, it is also relevant that Pinerolo was called in the past the Nice of Piedmont
