

RED ROSES FOR A BLUE LADY

I want some
red roses for a blue lady
Mister florist take my order please
we had a silly quarrel the other day
hope these pretty flowers chase her blues
away
Wrap up some red roses for a blue lady
send them to the sweetest gal in town
and if they do the trick
I'll hurry back to pick
Your best white orchid for the
wedding gown

SHE

She may be the face I can't forget
The trace of pleasure or regret
May be my treasure or the price I have to
pay
She may be the song that summer sings
Maybe the chill that autumn brings
Maybe a hundred different things
Within the measure of a day

She may be the beauty or the beast
May be the famine or the feast
May turn each day into a Heaven or a Hell
She may be the mirror of my dreams
A smile reflected in a stream
She may not be what she may seem
inside her shell

She, who always seems so happy in a crowd
Whose eyes can be so private and so proud
No one's allowed to see them when they cry
She may be the love that cannot hope to
last
May come to me from shadows in the past
That I remember 'till the day I die

She maybe the reason I survive
The why and wherefore I'm alive
The one I'll care for through the rough
in many years

Me, I'll take her laughter her tears
And make Them all my souvenirs
And where she goes I've got to be
The meaning of my life is
She, she
Oh, she

My Way

**And now, the end is near
And so I face the final curtain
My friend, I'll say it clear
I'll state my case, of which I'm certain**

**I've lived a life that's full
I've traveled each and every highway
And more, much more than this
I did it my way**

**Regrets, I've had a few
But then again, too few to mention
I did what I had to do
And saw it through without exemption**

**I planned each charted course
Each careful step along the byway
And more, much more than this
I did it my way**

**Yes, there were times, I'm sure you knew
When I bit off more than I could chew
But through it all, when there was doubt
I ate it up and spit it out
I faced it all and I stood tall
And did it my way**

**I've loved, I've laughed and cried
I've had my fill, my share of losing
And now, as tears subside
I find it all, all so amusing**

**To think I did all that
And may I say, not in a shy way
Oh no, no, not me
I did it my way**

**For what is man, what has he got?
If not himself, then he has naught
To say the things he truly feels
And not the words of one who kneels
The record shows I took the blows
And did it my way**

And did it my way

We Have All the time in the World

**We have all the time in the world
Time enough for life to unfold
All the precious things love has in store
We have all the love in the world
If that's all we have, you will find
We need nothing more**

**Every step of the way will find us
With the cares of the world far behind
us**

**We have all the time in the world
Just for love
Nothing more, nothing less
Only love**

**Every step of the way will find us
with the cares of the world far behind
us**

**We have all the time in the world
Just for love
Nothing more, nothing less
Only Love**

Only love
